

Principal's Weekly Update

We need our students to understand that education is something you do for yourself, so that you make the best of your life. Teachers are here to guide and support this endeavour. "When you take risks you learn that there will be times when you succeed and there will be times when you fail, and both are equally important" - Ellen DeGeneres At this busy end of the term, facing assessment, we need to be resilient and keep believing that we are capable.

Our weekly focus this week is about building respectful interactions with others – with teachers and with students. **Your words reveal your heart, so think before you speak!**

On Friday afternoon, some of our students participated in an inter-school touch football competition held in Middlemount. We played schools from Middlemount, Clermont and Dysart and had a great afternoon. Our opens team won 3/3 games and Under 14s won 2/3 games. Congratulations! Thanks Ms Swane!

In other exciting news, Harvey Jones has been selected to attend a music conference, sponsored by Arts QLD, where he will be mentored to develop his composition and performance skills. Well done Harvey!

Warmest regards,

Gerowyn Lacaze
