

Administration of Medications in Schools' Procedure

Learn how medications are administered at school ensuring student safety and well-being during school hours and activities. All medications must be prescribed by authorised health professionals.

Parents / caregivers of students requiring medication during school hours need to submit completed "Consent to administer medication form" to the Office.

All medication needs to be kept in original labelled container and kept at Office. Please contact the Office on 4988 7333 for more information.

Documents the school requires to administer medication.
