Subject-specific requirements

The below table provides the specific requirements for each subject. Parents should refer to their student's timetable to determine subject enrolments, or visit the [curriculum page](#) on our website for further clarification.

Students must have individual notebooks for each subject. Multi-subject notebooks are not permitted, as books must be able to be collected by teachers.

Subjects not included in the below lists do not have any stationery requirements; resources are included in the *Student Resource Scheme* fee and iPads are used for classwork.
